## E. Screenshots : Admin Panel(Login)

A screenshot of a web application's admin login form. The form is contained within a light gray rounded rectangle. At the top is a dark gray header bar with the word "Login" in white. Below this are two input fields: "Email Id:" and "Password:". The "Email Id:" field is empty. The "Password:" field is also empty. Below the password field is a blue link labeled "forgot\_password". At the bottom of the form is a blue button with the text "Login". Below the button is a link that says "Not a member?SignUp Now".

## F. Future Enhancement

**Here are some potential future enhancements for our watch management website that could improve user experience, functionality, and engagement**

- Responsive design with better look and fill.
- Is Going To Testing Of The Whole Project After Several Time Will Be Done.
- Create a community forum where users can discuss watches, get advice, and share their experiences.
- If Any Query Or Issue Raise Then Send A FeedBack So, We Will Solve and communicate with you As Soon As Possible.

---

**Thank**

**You**
